A SPACE FOR WELLNESS

DESIGN MAKIO HASUYKE

# BATH/ 01\_ROOM

## RIGORE E ARMONIA DI FORME

La linea e il cerchio sono un forte richiamo all'essenzialità della cultura zen.

I diversi materiali sono in equilibrio tra loro con ordine e eleganza, lo specchio e il miscelatore si fondono in un unico elemento estetico funzionale. L'essenzialità e la purezza dei materiali fanno di questo spazio, l'ambiente perfetto dove respirare benessere e rilassarsi.

## ACCURACY AND SHAPES HARMONY

*Lines and circles recall the essentials of zen culture. Find the balance and the elegance of the materials, mirror and faucet blend in one functional aesthetic element. The essential and the grace of the materials make this space perfect for relax and well-being.*

La forma del benessere.

Volumi dalla ricercata essenzialità, linee pulite e nette che suscitano sensazioni di semplicità e ordine. Il calore del legno sposa le candide laccature per dare vita a una sala da bagno in cui l'armonia è protagonista.

*The shape of wellness.*

*Refined essential dimensions, clear and neat lines which recall simplicity and tidiness. The warmth of the wood encounters the pure lacquered paints in a bathroom where harmony leads.*

Superfici essenziali.

La semplicità delle linee incontra la funzionalità degli spazi. Una collezione raffinata dove l'equilibrio tra superfici, spessori e materiali risulta perfetto. La pulizia formale, data dall'assenza di maniglie e sagomature, è al centro di questo concept. Tutti i moduli estraibili sono dotati di apertura a pressione.

*Essential surfaces.*

*The simplicity of the lines meets space functionality. A refined collection where surfaces, calibers and materials are perfectly balanced. The formal clearness, made of no handles, is the core concept. All drawers are equipped with push and pull opening system.*

Materiali in continuità.

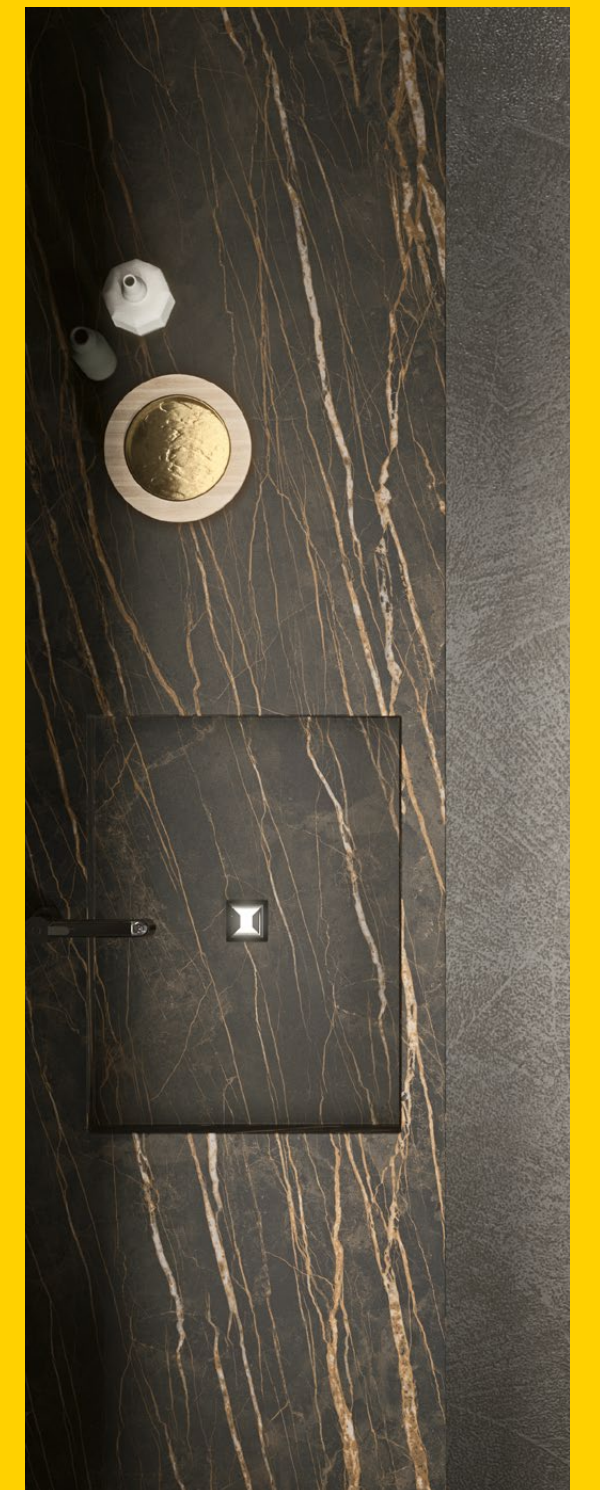

Il calore del legno incontra l'eleganza del grès e, insieme, esaltano la bellezza del vetro, convivendo in perfetta armonia.

Top e lavabo, concepiti in un unico blocco saldato, donano continuità all'intera composizione, mentre la grande superficie in vetro è perfetta per esaltare lo spazio e riflettere l'armonia di tutti i materiali in gioco.

*Materials in succession.*

*The warmth of wood encounter the elegance of porcelain and, together, enhance the beauty of glass, living together in perfect harmony.*

*Top and sink, welded in a single piece element, give continuity to the whole composition, while the big mirror surface reflects the balance of all materials put together.*

Volumi e trasparenze.

Un concept bagno essenziale ma ricco di materiali ricercati. La perfetta uniformità delle superfici in Fenix esalta la bellezza dello spesso top in larice, mentre il volume trasparente del modulo con anta in vetro, definisce un'inedita geometria dello spazio. Giochi di trasparenze e sovrapposizioni materiche introducono in una vera e propria oasi di benessere.

*Volume and transparency.*

*A bath concept which is essential but rich in refined materials. The perfect homogeneity of Fenix surfaces enhances the beauty of the thick larch top, while the transparent unit with glass door, defines a brand new space layout.*

*Games of transparencies and overlapping materials introduce us to a real wellness oasis.*

La forma della funzione.

Uno spazio essenziale, in cui ogni dettaglio assume la massima praticità. Assoluto protagonista di questo ambiente è il top in Corian con i due lavabi saldati, massima espressione di linearità e purezza formale. Funzionalità ed estetica convivono alla perfezione, caratterizzando ogni vano e ogni superficie, con equilibrio e grazia.

*The shape of functionality.*

Stile e relax.

Il bagno moderno deve essere un ambiente rilassante dove ogni aspetto, dalla progettazione degli spazi alla scelta degli arredi, deve saper soddisfare le esigenze di chi ne usufruisce, diventando piena espressione di uno stile vero e proprio. Ciò si ottiene non solo attraverso spazi ampi e luminosi ma soprattutto con la giusta scelta di arredi e materiali.

*Style and relax.*

*A modern bathroom has to be a relaxing environment where each step, from space projecting to furniture design, must satisfy the customer needs, becoming expression of a unique style. This can be accomplished by having wide and bright spaces but mostly through an accurate selection of the right piece of furniture and the right materials.*

L'eleganza della tradizione.

Il fascino di un ambiente dal respiro classico rimane indiscusso. Il perfetto connubio tra tradizione e innovazione trova la sua massima espressione nelle lavorazioni artigianali impreziosite dal marmo, capace di trasmettere intense sensazioni tattili e visive.

*The elegance of tradition.*

*The charm of a classic environment remains undisputed. The perfect bond between tradition and innovation finds its expression in handcrafted works enriched by marble, which gives intense tactile and visual feelings.*
